

Solidigm Portal Access Account Activation Process

This document is a step-by-step guide to activating your Solidigm account

You will receive the login invitation (as below) in a separate email from Customer.access@solidigm.com generated by our system. Follow the below steps to activate your account before your link expires.

Welcome to Solidigm!

Hi Stella,

Solidigm is using Okta to manage your web applications. This means you can conveniently access all the applications you normally use, through a single, secure home page. Watch this short video to learn more: [Intro to Okta](#)

Click the following link to activate your account:

More Done Remove

1. Watch the video by clicking "[Intro to Okta](#)" to learn more about OKTA, a secure identity cloud management tool for your web applications.
2. Play the brief introduction regarding how Okta can help you better manage your web application account.
3. You must click the purple "**Activate Solidigm Account**" from your login invitation letter for the very first time.
4. You will be prompted to set up a password. Follow the password requirements to create a strong password.
5. Once your password is set up, establish your desired MFA (Multi-Factor-Authentication) method to complete your account setup.
6. Save the [Solidigm Customer- Sign In](#) link to your bookmarks for future reference.
